

Thank you for expressing interest in joining Sletten’s family of prequalified subcontractors.

Sletten works all over the western United States out of offices in Montana, Wyoming, Idaho, Arizona, and Nevada. We have general building divisions as well as specialty divisions including Industrial, Bridge, Energy, and Corrections work. We are always looking for new subcontractors to team up with.

Please answer the following questions, then email this questionnaire to [preconstruction@sletteninc.com](mailto:preconstruction@sletteninc.com) so we can align your information with the right building groups.
